Comments/Important Information (serious allergies, minor allergies, medical conditions)

Families of children in Cherub & Kidz Cruise take turns in a rotation to provide the snack supper for our children each week. Meals can be as easy as picking up pizzas & soft drinks, or as economical as hot dogs or corndogs & chips. Be as creative as you like. Watch for your name in the monthly newsletter on the volunteer page.

Please list the name if you have someone specific you'd like to partner with for snack supper:
